ALQVIMIA BODY RITUALS

QUEEN OF EGYPT

This unique full-body ritual uses purely natural cosmetics produced in compliance with the laws of alchemy and aromatherapy and is inspired by the beautifying rituals of Egyptian queens. It is based on precious exotic oils with myrrh and frankincense – the highest valued substances in ancient Egypt, and it provides your body and soul with full regeneration and relaxation. The beautiful smell pampers your confidence and boosts your feeling of attractiveness.

The delicate full-body peeling and wrap using seaweed and rare extracts rejuvenate, tighten, lighten and detoxify your skin. The rejuvenating facial massage nurtures your complexion with the help of special oils. The relaxation massage of your entire body will make you feel reborn.

SILHOUETTE BODY SCULPTOR

Focused on body forming, slimming, and fat burning, this intense body treatment contributes to your overall health.

The full-body peeling with sea salt and herbal extracts makes your skin more delicate and younger while helping to eliminate toxins from your body. This intensely strengthening, slimming, and seaweed wrap forms your body and smoothens your skin.

The ritual includes a short guided meditation that provides relaxation not only to your body, but also to your mind. The final aromatherapy massage with slimming oils enhances the overall effect of the treatment.
